FAQ.

What's your policy on decorating?

Decorating is welcomed, we want your event to look and feel how you want it to. But for the sake of our walls and floors we've had to put the following 'rules' in place: no confetti or party poppers or attaching anything to walls without checking with the GM.

What if more people turn up on the day than we were expecting?

We know that it can be hard to forecast the number of guests who will attend on the day. Please try to give us as much notice as possible if numbers change. Should more guests turn up than you were expecting, we will do our best wherever possible to provide additional catering. Please note that this will be at an added cost and may be an alternative dish to the selected menu.

Can I store items with you the day before/after the event?

Of course! If you would like to drop anything off the day before or leave anything with us until the following day, we will happily securely store them for you.

Is the venue wheelchair accessible?

Yes, we have an entrance at the side of the pub, however, please note that we don't have a disabled loo.

Can we play our own music?

We can in some instances play your own music at the pub. Please speak to one of the managers to discuss your requirements. If you would like to share photographs, we have screens that we can connect to a device via an HDMI cable, please ask a manager and we can help set this up for you.

Do I need to pay a deposit?

Pre-authorisations or Deposits are required to guarantee your date, deposit information will be sent with enquiry replies. All enquiries are treated equally until the date is confirmed through deposit. Deposits are refundable up to 5 days before your event, after this the deposit becomes non-refundable. Food must be paid for at the time of pre-ordering. The remaining balance is to be settled on the day of the event.

How do I order food and drinks packages?

You can order your party food and drink over the phone, via email or in person. Please note all food must be preordered a minimum of 14 days before your event, and drinks offers are only available when preordered.

Service charge A discretionary 10% service charge will be added to your bill at the end of your party
